

THE EASIEST FUNDRAISER EVER!

GO BANANAS wants to team up with your PTO/PTA and help you fund important school projects while your students and their families have a great time.

- 1) Call us at 708-452-8800 for more information and to reserve a date for your school's fundraiser. (A weekday when your school is off works great.)
- 2) We will provide flyers you can send home to parents informing them of the event. Tell us how many flyers you need and we will have them delivered to your school.
- 3) Have your students and families identify themselves as being from your school on its special day and we will donate **50%** of what they spend to your PTO/PTA

EXTRA BONUS... Reserve your fundraising event now and we will donate a 12 person birthday party (a \$180 value) to your organization's auction or other activities.
